FINAL REPORT

“ India has now started taking its health seriously and the future for the sleep industry is bright and I am glad that we can have exhibitions like India Mattresstech & Upholstery Supplies Expo (IME 2024) where high quality exhibitors from around the globe can come and showcase their best products. ”

Mathew Chandy, Duroflex

“ Our new launches received excellent customer feedback at IME 2024. This marks our third participation, and each year, we've had a great experience. This platform allows us to showcase all our products and is an excellent opportunity to meet our existing customers while making new connections. Happy to be here! ”

Abhinav Jindal, Jindal Petro Foam

FINAL REPORT

“ The Indian market holds immense significance for us, given its yet-to-be-fully-realized potential. We are committed to engaging with this market annually, actively seeking opportunities and continuously innovating with new materials. At IME 2024, the overwhelming response kept us busy attending to numerous visitors at our booth, resulting in a truly enriching experience.

Recep Kutuklu, Mattress Production ”

“ We are thrilled to be participating in IME 2024 for the second time. After the tremendous success we experienced last year, we eagerly returned for another round. Day 1 has kicked off with a bang, and we are excited for the multitude of meetings and opportunities awaiting us over the next three days!

Bhanu Abeywardhana, Latex Green ”
